

**Annually, the President of Clackamas Community College submits goals to the Board of Education. The goals are meant to maintain our focus on our mission, core themes, and strategic priorities.**

### **President's 2016/17 Goals**

1. Support Student Success – Recommend Strategic Priorities for 2016-2019 with year one activities developed and years two and three projected and connected, using student intent data to measure retention and completion.
2. Implement Bond measure – Report on district project activities: ensure project schedule is on time, on budget, and reflects commitments to voters.
3. Specifically outline a College Framework for employee development – Evaluate and support changes to the First Year Faculty Experience, as well as begin expanding elements to part-time, classified, and administrative first year employees.
4. Maximize resource opportunities – Support state resource allocations, public/private partnerships, grant funding, and CCC Foundation 2020 planning to achieve institutional and student goals.
