Academic Standing

PURPOSE

Establishes an academic progress standard for degree/certificate seeking students.

SUMMARY

All degree/certificate seeking students enrolling in 6 credits or more each term will be required to maintain a minimum term GPA of 2.0 and complete at least 50% of their attempted credits.

STANDARD

1. Credits attempted do not include credit hours dropped prior to the sixth week of the term or credit hours changed to audit.
2. Students will be evaluated for academic standing and notified by the Registrar's Office at the end of each term if one or more of the academic standing criteria have not been met.
 - a. The first term that a student does not achieve a minimum term 2.0 GPA and 50% of their attempted credits, they will be placed into an "Academic Alert" status. Students in this status will be encouraged to take advantage of academic support services to assist them with areas of concern.
 - b. If there is a second consecutive term that a student does not meet one or more of the academic standing criteria, they will be placed in an "Academic Probation" status. Students in this status will be required to meet with an academic advisor during the Academic Probation term in order to determine a course of action and the resources needed to support student's success. Students that do not meet with an academic advisor will be restricted from enrolling in the subsequent term.
 - c. If there is a third consecutive term that a student does not meet one or more of the academic standing criteria, they will be placed in an "Academic Suspension" status. Students in this status will be required to meet with an academic advisor and will be restricted from enrolling at CCC until intervention strategies have been accomplished.
3. Student appeals will be considered quarterly by the Academic Standing Committee for academic suspension status only.
4. Exceptions to the Academic Standing criteria may be made on a case by case basis by the Dean of Academic Foundations & Connections.
5. Students receiving Financial Aid or that are enrolled in programs with unique academic performance requirements (e.g., Nursing, Allied Health, International/PIE) will be subject to higher academic standing criteria.
