

Year Seven Accreditation Report, Standards One through Five, 2016 Visit

Commendations

1. *The evaluation committee commends Clackamas Community College for its proactive and comprehensive approach to management of hazardous and toxic materials. The College has developed a robust set of cross-departmental policies, procedures, and practices that guide college efforts in maintaining a healthful and safe environment.*

2. *The evaluation committee commends Clackamas Community College for cultivating multiple community collaborations, business partnerships, and connections with community-based organizations, which facilitate highly effective learning environments for students including, but not limited to, state-of-the-art equipment, internships, and scholarships.*

3. *The evaluation committee commends the Board, faculty, staff and administrators at Clackamas Community College for their high level of engagement, shared governance, and collaborative efforts to improve the student experience and learning.*

4. *The evaluation committee commends the Board, faculty, staff and administrators at Clackamas Community College for creating an organizational climate that fosters optimism, collegial civility, and shared vision.*
