

How to Maintain Your Student Visa Status

Program for Intensive English (PIE) Students

Do:

- Enroll in at least 18 hours each term
- Attend your classes, actively participate and complete the homework
- Check your Clackamas student email account weekly.
- Contact a DSO if you need to change:
 - Your class schedule (add or drop a class)
 - Your program end date (leaving early or requesting an extension)
 - Need to take a term off (vacation or personal need)
 - Your personal information (name, address, contact information)

Do Not:

- Drop your classes or change your schedule without speaking to a DSO and a PIE student advisor
- Work without approval from a DSO
- Make vacation plans without first speaking to a DSO and a PIE student advisor

Remember! Contact one of us if you need help. If you are struggling in your classes or experiencing a personal problem, we can support you. The sooner we know about a problem, the more we can do to help!
