Foreign Language: In addition to the general education requirements, graduates of OSU must satisfy a foreign language proficiency requirement. Most students will meet the foreign language requirement by a) having completed two years of the same foreign language at the high school level b) completing two terms of a foreign language at a college or university, or c) demonstrating proficiency in a language that they already know. Clackamas offers language classes in American Sign Language, French, German, and Spanish that satisfy this requirement. Students who graduated from high school before 1997 are exempt from this requirement. Students do not need to meet this requirement before transfer, but they must complete it before receiving a bachelor's degree.
