CCC has the only **NALP**  
accredited program in Oregon

our Horticulture at  
Clackamas Community  
College Facebook page!

## Love the idea of working outside in a growing, hands-on field?

If you are looking for a career that combines art and science, as well as a balance between physical and intellectual work, CCC offers four areas of plant study that can get you out of the office and in contact with nature. CCC's horticulture department includes **arboriculture, horticulture, landscape and organic farming** programs.

Degree options and their requirements can be found on our department webpage at [www.clackamas.edu/horticulture](http://www.clackamas.edu/horticulture)

***You do not need to be a degree seeking student to take our credit courses! Take one or many!! Lifelong learners are welcome!***

For additional information, please contact us at [horticulture@clackamas.edu](mailto:horticulture@clackamas.edu).

## Workshop registration via [Eventbrite](#) !!

Go to <https://bit.ly/horteventbrite>

Or Scan this QR code to register for workshops:

### Beekeeping School

Saturdays Feb 1 & 8 (two day class)  
9:00 AM-3:00 PM

Fee: \$50

Beekeeping is popular because of its importance in pollination and honey production, and it is a relaxing hobby. This two-day workshop is intended to prepare new and beginner beekeepers with knowledge, demonstrations, and lists of resources. Topics will include; basic bee biology, proper equipment, handling of bees, hive pest and disease control, feeding, and more. Co-sponsored by the Portland Metro Beekeepers Association.

### Pesticide Core Training/ Winter

Friday Feb 7  
1:00 PM-5:00 PM

Fee: \$40

This training qualifies for 4 CORE recertification credits as required by Oregon Department of Agriculture. **ODA 4 CORE CEU; LCB 4 CEH**

### Plaguicidas legislación y seguridad en español (Pesticide Laws & Safety, Spanish)

Viernes Feb 7-Mar 14

1:00 PM-4:50 PM

Tarifa: \$189

Leyes y regulaciones relacionadas con la seguridad, manejo y mantenimiento de registros y almacenamiento de plaguicidas. Técnicas de selección de productos, incluyendo opciones químicos y no químicos, seguridad de aplicador y protección del medio ambiente incluido. Prepárese para las leyes de pesticidas de Oregón y Examen de seguridad. **LCB 17 CEH.**

### Coniferous Tree Identification

Saturday Feb 8

9:00 AM-12:00 PM

Fee: \$20

Join us for a morning of plant awareness! We'll start in the classroom, discussing features of some major plant families and locally grown genera and species of plants. We'll enjoy a stroll around the Oregon City campus looking at coniferous trees and how they're used in our landscape. Anticipate **LCB 3 CEH.**

### Instalación y Mantenimiento del Sistema de Riego Paisajístico en español (Landscape Irrigation Install & Maintenance, Spanish)

Viernes, 7 de marzo, de 1 p.m. a 5 p.m. y Sábado, 9 de marzo, 8am-

5pm

Tarifa: \$80

Aprenda los conceptos básicos de la instalación y el mantenimiento de sistemas hidráulicos y de riego. Esta clase de dos días cubre una descripción general de los compo-

nentes del sistema de riego, solventes con tuberías de PVC, instalación de boquillas, cabezales de ajuste, válvulas eléctricas y técnicas de cableado de campo / controlador. Combinada con la experiencia en la industria, esta clase sirve como un repaso para aquellos que planean tomar el examen de Técnico de Riego Certificado de la Asociación de Riego (IA). Este taller incluye apoyo matemático complementario para los conceptos y ecuaciones que se tratan en clase. **8 CEHs de la Junta de Contratistas de Paisajismo (LCB).**

Landscape Irrigation System Installation & Maintenance in Spanish two day class on Friday Mar 7, 1 pm - 5 pm, and Saturday Mar 8, 8am-5pm. **LCB 8 CEH**

### Japanese Style Pruning

Friday March 14

1:00 PM-5:00 PM

Fee: \$40

Learn the art of Japanese Pruning with Masa Mizuno, a highly-respected master of Japanese garden cultivation. He has worked for decades with established Japanese gardens throughout the Pacific Northwest, and has lead his own landscape design/install firm for over 30 years. This is a hands-on class, bring your own gloves, pruners and/or pruning saw. **LCB 4 CEH.**
